Mr. Ray Charles -
Production Manager.

Managing Director,
Mr. Mark Hodgson said

"Our current Press Line
consists of both Goss
and Tensor Equipment :-
For our Four High
upgrade we chose
Tensor because of its
quality in manufacture
and its sharpness of dot
in reproduction."

The Tower features >

- > Bearing enclosed Sleeves - for sharper dot
- > CE Approved interlocked Guards
- > Tamper Proof interlock Switches
- > Motorised Cylinder features
- > Lever Style Ink Keys
- > Staircase to Platform
- > Manufactured in the U.S.A.
- > Compatible with all other press manufacturers

Over 1600 Units have been installed since 1993.

Tensor delivers on their solid
commitment to maintaining long-term customer relationships with an
exceptionally flexible and performance-driven press system.

Tensor is the source for single width full pressline and add-on equipment
