

“The new Tensor press will boost our color capacity, print quality and on-time delivery while increasing our current production speed.”

-Mr. Alniacik, Managing Director
Dogan Printing Center

The World's Largest Continuous Single Width Pressline—Adana, Turkey

Hurriyet Gazetecilik ve Matbaacilik A.S.,
a subsidiary of Dogan Yayin Holding of
Istanbul, chose Tensor to take on one of
their biggest challenges.

- > U.S. manufacturer of single width web offset press equipment for commercial, insert and newspaper markets worldwide
- > Over 1500 units installed in more than 23 countries
- > Exceptional compatibility with other press equipment
- > Flexibility, power, performance and leading edge technology
- > Complete press system, service and parts
- > Worldwide dealer/service network

Call us today and we'll show you why printers who demand the best have switched to Tensor.
